

## I-MINI

Home range grinder.

Made of aluminum and high quality components. Perfect for home or the office daily. Small but robust.

The ideal companion of the Dream!

**ascaso**  
BARCELONA

## MAIN FEATURES

**Aluminium body.** Polishing each part by hand, one by one or treated with a high-quality varnish (the same coating as used in Formula 1 and on boats), with a range of 3 colours textured matte.

**The milling equipment is made from special tempered steel.** The same steel as used in professional high-performance coffee grinders. Service life: 600 kg.

### 2 models:

**I-1** Brass group and steel milling wheels (54 mm diameter).

**I-2** Grupo de plastic y steel grinding cones.

**Micrometric adjustment** allows maximum grind adjustment.

**Adjustment limit,** in just a few seconds, the perfect grind point can be found.

**Coffee grinding adjustment.** Enables viewing of the grind selected. Made from stainless steel and laser-etched.

**250gr hopper** with fitted cover. Optional 600-g hopper.

**Electronic timer.** This means the desired amount can be supplied by activating a timer switch (opcional).

**Hopper lid and graduation knob in wood** (optional).
