HOW TO REQUEST AN EXCHANGE OR RETURN

LIMITED 20-day return on select items, includes but not limited to; special order parts, blender parts, filtration components, electrical brewing gear, scales, kettles, home-brewers, home grinders, and home espresso machines. Website purchase at EspressoParts.com for select merchandise is eligible for return or exchange within 20 days of the original ship date. Merchandise must be received in 'Like New' condition in original packaging. 'Like new' product is an item that has been removed from its box and used as intended by the manufacturer for a short period of time. All items, components, manuals, and packing materials must be returned to their original packaging. The product must be clean and dry upon return to our warehouse. Any item returned to us that requires extensive cleaning will incur a cleaning deduction from the refund, or be refused. The product must not be functionally or cosmetically damaged in any way. You must first obtain a Return Merchandise Authorization (RMA) number from us for your exchange or return to be accepted.

All returned merchandise is subject to a minimum 2.5% restocking fee. Additional cleaning, refurbishment, and replacement packaging fees may be charged as follows:

1. 10% Restocking Fee: Any grinders that have had any beans run through the grinding chamber, regardless of prior cleaning and appearance. Damaged or missing packaging or accessories or equipment returned wet, dirty, and requiring additional cleaning.
2. 15% Restocking Fee: Merchandise returned with cosmetic damage requiring labor to correct including surface scratches on painted or polished surfaces.
3. 25% Restocking Fee: Merchandise returned with severe cosmetic damage requiring extensive repair including scratches or chips deep into the finish, or dented body panels. Extremely dirty equipment requiring 1 hour or more of cleaning.

Equipment received beyond the above-noted damage is not returnable, and we will contact you to send the machine back.

All restocking fees will be assessed and applied based on the sole discretion of EspressoParts.com.

Contact us via email (info@espressoparts.com) Let us know why you'd like to initiate the return—we'll help you determine if there is an exchange that will better suit your needs. We will send an RMA email to you with detailed instructions on exchanging or returning your merchandise. Please read the email in its entirety and take care to properly prepare your machine for return. This can help avoid additional charges assessed to your return.

Note: merchandise that has been modified or customized is not eligible for return.
