HOW TO REQUEST AN EXCHANGE OR RETURN

Website purchases for commercial equipment are typically not eligible for return or exchange. Espresso Parts has the right to waive the finality of orders and will assess a minimum restocking fee and a fee to cover return freight shipping for heavyweight equipment.

Machines authorized for return must be received in 'New' condition in original packaging. 'New' product is an item that has NOT been removed from its box and used. All items, components, manuals, and packing materials must be in their original packaging. The product must NOT be functionally or cosmetically damaged in any way. You must first obtain a Return Merchandise Authorization (RMA) number from us for your exchange or return to be accepted.

All returned equipment is subject to minimum restocking fees and return freight shipping fees. Additional cleaning, refurbishment, and replacement packaging fees may be applied:

1. All restocking fees will be assessed and applied based on the sole discretion of EspressoParts.com.
2. If your equipment arrives in new, closed box condition, we will refund your original payment method less other restocking fees, original shipping & handling costs, and return freight shipping fees for heavy equipment.

Contact us via email (info@espressoparts.com) Let us know why you'd like to return the machine—we'll help you determine if there is an exchange that will better suit your needs. We will send an RMA email to you with detailed instructions on exchanging or returning your merchandise. Please read the email in its entirety and take care to properly prepare your machine for return. This can help avoid additional charges assessed to your return.

Note: Equipment that has been modified or customized is not eligible for return.
