

Key Features:

PRO Technology: detachable upper burr holder exposes the grinding chamber so cleaning is simple and easy. Just detach the two levers to tidy up. The one-time grinder settings never change anytime it's detached.

The IPS touchscreen display is ultra-responsive and extremely user-friendly.

Featuring enormous 71mm conical burrs and a robust motor, this grinder is perfect for bustling cafés and drive-thrus with high customer traffic.

Compatible with the PUQpress M4 automatic tamper.

Controlled dosing for no spray or messy waste on the bar.

Italian-made quality.

Description:

Introducing the Fiorenzato On Demand Espresso Grinder, crafted to elevate your coffee experience to new heights. Boasting 71mm conical burrs and fortified with PRO technology, this grinder is a true powerhouse of precision and convenience.

With its heavy-duty construction and unwavering reliability, it's built to withstand the rigors of demanding coffee environments. But what truly sets it apart is its PRO technology. Featuring a detachable grinding chamber, cleaning becomes a breeze. Simply detach the two levers, and tidying up is effortless. Plus, with one-time grinder settings that remain unchanged every time it's detached, you can count on consistent performance with every use.
