

Marco Beverage Systems

Warranty

GUARANTEE

We undertake to replace, free of charge, any piece of equipment, or part thereof, which is found to be faulty in material or workmanship within 12 calendar months of the date of dispatch from our works; fair wear or tear, misuse or damage caused by faulty installations by other contractors excepted. All goods subject to claims under this guarantee must be returned to us for inspection. We cannot accept liability if repairs, or attempted repairs, have been made to equipment prior to our inspection or for equipment/ parts damaged due to limescale build up. This guarantee is extended only to goods of our manufacture. Component parts which are incorporated into our products and which are not of our making are subject to guarantees of the manufacturers of those parts. Our liability is limited to the repair or replacement of goods and not to incidental damage or expense caused by the alleged defect.

USE OF PRODUCTS

The installation and use of Marco products is the responsibility of the purchaser and user. Marco takes no responsibility for damage caused by inappropriate installation or use of Marco products.

LIMESCALE

Many areas of the country have hard water supplies which create limescale in boilers. In such areas it is essential that a Scale Reduction System be installed and regularly maintained. Service calls resulting from limescale build up are not covered by warranty.

DAMAGE

Damage to goods must be notified to the Carrier upon delivery otherwise no claim can be accepted. Goods on arrival should be examined unless signed for "Unexamined". In the event of damage, goods and packing material should be held for inspection by the Carrier. Damaged goods cannot be credited or replaced if used.
