

## ESPRESSO PARTS 4" HOME RINSER (EPPR4)

### DISCLAIMER: Please Read Before cutting

Espresso Parts highly recommends that you have the product in-hand before attempting to cut holes for installation.

### Product Materials

304 stainless steel body + ABS plastic part (including all plastic parts in the Rinsers and surround) + Rubber gasket + 304 spring + 304 sprayer parts + Brass Activation Piston and brass screw.

### Installation

Do-it-yourself, installs in a typical sink flange accessory hole or you can drill your own. Must have at least 2 inches of space surrounding the installation hole and no more than 2.25 inches from the center of the hole to the sink's edge - ensuring water flow goes into the sink instead of pooling onto your countertop

### Cut Out (detailed) Dimensions- millimeter
